| Title | Deselecting Standards does not remove them from list | UI Improvement | UI Improvement | | | |
| Steps to Reproduce | 1: Navigate to ' https://standards.myworksheetmaker.com ' 2: Click on subject - English 3: Click on grade level - Kindergarten 4: Click on domain - Language 5: Click on subdomain - Conventions of St. English 6: Click on checkbox for any item 7: Click again on same checkbox for any item | 1: Navigate to 'https://standards.myworksheetmaker.com' 2: Take a look at the heading in the middle of the screen 3: Headings could be justified in the center to be more visually pleasing | 1: Navigate to 'https://standards.myworksheetmaker.com' 2: Click on subject - English 3: Take a look at the grade levels 4: "6-8", "9-10", "11-12" could be better organized, up for discussion | | | |
| Expected Result | Message at bottom of page should return “You have not selected any standard. Your selected standards will appear here.” | | | | | |
| Actual Result | Website logic adds selected Standard to list again instead of removing from list | | | | | |
